

MAGNASONIC

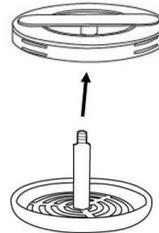

Draining Tray & Jewelry Hanger Accessory Instructions

IMPORTANT: This item is only compatible with the Magnasonic Small Ultrasonic Jewelry Cleaner (UC21)

For additional assistance, please visit:
www.magnasonic.com

Installing the Draining Tray

1. Unscrew the lid from your Magnasonic UC21 jewelry cleaner.
2. Gently screw the draining tray into the bottom of the lid.

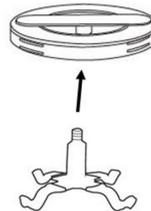

3. Helps lift and drain dentures, retainers, mouthguards, and other items after cleaning.

Installing the Jewelry Hanger

1. Unscrew the lid from your Magnasonic UC21 jewelry cleaner.
2. Gently screw the jewelry hanger into the bottom of the lid.

3. Used for hanging various jewelry such as necklaces, earrings, and rings while cleaning.
