FCC STATEMENT

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

This class B digital apparatus complies with Canadian ICES-003.

WARNING:

This equipment has been tested and is found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experienced radio/TV technician for help

WARNING:

Changes or modifications not expressly approved by the party responsible for compliance with the FCC Rules could void the user's authority to operate this equipment.

IC STATEMENT

Industry Canada Statement

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions:

- (1) this device may not cause interference, and
- (2) this device must accept any interference, including interference that may cause undesired operation of the device.

SAFETY INFORMATION

1. Read all instructions.
2. Keep these instructions.
3. Heed all warnings.
4. Follow all instructions.
5. Do not use this apparatus near water.
6. Clean only with a dry cloth.
7. Do not block any ventilation openings. Install in accordance with the manufacturer's instructions.
8. Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
9. Disconnect this apparatus during lightning storms or when unused for long periods of time.
10. Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.
11. Apparatus shall not be exposed to dripping or splashing, and ensure that no objects filled with liquids, such as vases, shall be placed on the apparatus.
12. **WARNING:** To reduce the risk of fire or electric shock, do not expose this apparatus to rain or moisture.

This marking indicates that this product should not be disposed with other household wastes throughout North America. To prevent possible harm to the environment or human health from uncontrolled waste disposal, recycle it responsibly to promote the sustainable reuse of material resources. To return your used device, please use the return and collection systems or contact the retailer where the product was purchased. They can take this product for environmental safe recycling.

DISCLAIMERS

Maximum line of sight for Bluetooth® transmission range is 33 feet. When transmitting through walls, floors, or ceilings the range will decrease depending on the environment.

Certain Bluetooth® features, including those listed, may not be supported by all compatible Bluetooth-enabled devices, and/or the functionality of such features may be limited in certain devices, or by certain wireless carriers.

We reserve the right to change models, configuration, or specifications without notice or liability. Product may not be exactly as shown.

BUTTONS & CONNECTIONS

FRONT

BOTTOM

1

LED indicator

2

Female 30-Pin Connection

SETUP

CONNECT THE SONGO™ LINK TO YOUR 30-PIN MUSIC DOCK*

*May not be compatible with specific docking stations with digital audio. See specifications for compatibility.

SETUP

TURN ON THE MUSIC DOCK & SET IT TO IPOD / IPHONE

BLUETOOTH® PAIRING

* NYRIUS LED FLASHES WHEN SEARCHING FOR SIGNAL. LED DIMS AFTER 60 SECONDS UNTIL A SIGNAL IS RECEIVED.

FOR BEST SIGNAL
MAXIMUM LINE OF SIGHT FOR BLUETOOTH TRANSMISSION RANGE IS 33 FEET

33^{FT}
PI

* OBSTACLES MAY DECREASE TRANSMISSION DISTANCE.

PAIRING

Play any Smartphone or Bluetooth® enabled device wirelessly through any 30-Pin music dock*.

PAIR & CONNECT

Once you connect the Songo™ Link to your 30-Pin Docking Station, the Nyrius LED will flash indicating it is in PAIRING mode searching for a signal.

1. Select the Bluetooth function on your device. Select "Nyrius BR30" on your device to connect. If a pairing code is required, please use "0000".
2. Once successfully connected, the Nyrius LED will stop flashing & remain ON.
3. After initial connection, the Songo™ Link will seek the last device it was connected to. If the device is turned on and in range, it will automatically connect to it.

You can now control your music using your Bluetooth Device. The "Bluetooth Active" icon will appear on the main screen when connected.

*May not be compatible with specific docking stations with digital audio. See specifications for compatibility.

How you access your Bluetooth® Settings may vary from one device to another.

Certain Bluetooth® features, including those listed, may not be supported by all compatible Bluetooth-enabled devices, and/or the functionality of such features may be limited in certain devices, or by certain wireless carriers.

TO DISCONNECT

1. Select the Bluetooth function on your device. Select "Nyrius BR30" on your device to disconnect.
2. Select YES if asked to disconnect. The Nyrius LED on the Songo™ Link will flash slowly once disconnected.

The "Bluetooth Active" icon will disappear from the main screen once disconnected.

PAIRING

PAIRING MULTIPLE DEVICES

Although the Songo™ Link can only play music from one device at a time, it can memorize up to 4 device profiles.

Switching from one device to another:

1. Select the Bluetooth function on your device and turn Bluetooth OFF.
2. The Songo™ Link can now be connected to a different device.
3. Follow the "PAIR & CONNECT" instructions to pair a new device.

RECONNECTING YOUR DEVICE

If you move out of range or turn off the Bluetooth feature on your device, the Songo™ Link will disconnect from your device. To reconnect, simply turn the Bluetooth feature back on or move within 33 feet (line of sight) of the Songo™ Link.

Note: Unit will auto-pair if it was the last device connected. If not, please refer to the "PAIR & CONNECT" instructions.

UNDERSTANDING THE LEDS

Flashing slowly / dim	<ul style="list-style-type: none">• Power is ON or• Pairing in progress	<ul style="list-style-type: none">• Waiting for connection
Solid white light	<ul style="list-style-type: none">• Connected to Bluetooth® device	<ul style="list-style-type: none">• Bluetooth® device and Songo™ Link are connected

Out of Range or Lost Signal

If the Bluetooth device is out of range (beyond 33 feet) of the Songo™ Link or if there is something blocking the Bluetooth signal, the LED light will flash slowly to indicate that the Bluetooth connection with the music device has been lost. To avoid a lost connection:

1. Move the Bluetooth device back into range (within 33 feet), and/or make sure there's a clear line of sight and that there are no obstructions between the Songo™ Link and the Bluetooth device.
2. Within 15 seconds, the connection will automatically be reestablished and the LED light will stop flashing.
3. If the connection is lost for more than 15 seconds, the connection will need to be reestablished. Follow the "RECONNECTING YOUR DEVICE" instructions.

TROUBLESHOOTING

Issue	Bluetooth® Device	Songo™ Link
No music from music dock	<ul style="list-style-type: none"> • Confirm that Bluetooth® function is ON • Confirm you are connected via Bluetooth® with the Songo™ Link (BR30) • Confirm you are playing music from your device • Confirm you are within range of the Songo™ Link 	<ul style="list-style-type: none"> • Confirm Songo™ Link is properly seated in the 30-pin music dock • Confirm that the stereo volume is set to a comfortable listening level • Confirm you are within range of the Songo™ Link • Confirm that the audio source selection of your music dock is set to iPod/iPhone

WARRANTY

Thank you for choosing NYRIUS® Consumer Electronics Products!

NYRIUS gives the following express warranty to the original consumer purchaser or gift recipient for this NYRIUS product, when shipped in its original container and sold or distributed by NYRIUS or by an Authorized NYRIUS Dealer: NYRIUS warrants that this product is free, under normal use and maintenance, from any defects in material and workmanship. If any such defects should be found in this product within the applicable warranty period, NYRIUS shall, at its option, repair or replace the product as specified herein. Replacement parts furnished in connection with this warranty shall be warranted for a period equal to the unexpired portion of the original equipment warranty.

This warranty shall not apply to:

- A. Any defects caused or repairs required as a result of abusive operation, negligence, accident, improper installation or inappropriate use as outlined in the owner's manual.
- B. Any NYRIUS product tampered with, modified, adjusted or repaired by any party other than NYRIUS or NYRIUS's Authorized Service Centres.
- C. Damage caused or repairs required as a result of the use with items not specified or approved by NYRIUS including but not limited to head cleaning tapes and chemical cleaning agents.
- D. Any replacement of accessories, glassware, consumable or peripheral items required through normal use of the product including but not limited to earphones, remote controls, AC adapters, batteries, stylus, trays, filters, cables, paper, cabinet, cabinet parts, knobs, buttons, baskets, stands and shelves.
- E. Any cosmetic damage to the surface or exterior that has been defaced or caused by normal wear and tear.
- F. Any damage caused by external or environmental conditions, including but not limited to transmission line/power line voltage or liquid spillage.
- G. Any product received without appropriate model, serial number and CSA /cUL / cULus /cETL /cETLus markings.
- H. Any products used for rental or commercial purposes.
- I. Any installation, setup and/or programming charges.

Should this NYRIUS product fail to operate during the warranty period, warranty service may be obtained upon delivery of the NYRIUS product together with proof of purchase and a copy of this LIMITED WARRANTY statement to an Authorized NYRIUS Service Centre. In-home warranty service may be provided at NYRIUS discretion on any NYRIUS television with the screen size of 40" or larger. This warranty constitutes the entire express warranty granted by NYRIUS and no other dealer, service centre or their agent or employee is authorized to extend, enlarge or transfer this warranty on behalf of NYRIUS. To the extent the law permits, NYRIUS disclaims any and all liability for direct or indirect damages or losses or for any incidental, special or consequential damages or loss of profits resulting from a defect in material or workmanship relating to the product, including damages for the loss of time or use of this NYRIUS product or the loss of information. The purchaser will be responsible for any removal, reinstallation, transportation and insurance costs incurred. Correction of defects, in the manner and period of time described herein, constitute complete fulfillment of all obligations and responsibilities of NYRIUS Electronics to the purchaser with respect to the product and shall constitute full satisfaction of all claims, whether based on contract, negligence, strict liability or otherwise.
